

# 3D Modeling and Texturing

-20090035 Hwi Yong Kim , 김휘용

Assignment #1: Simple research paper with image and some text about 3D modeling that you want to make or just concern. (as PDF file with student ID and your name untill next Monday. ~9/9)

<http://youtu.be/FmTZzhR1vrA> - I want to talk about this video! This video is cool.

The name of this game is 'the last of us'. During I play this game, I'm immersed in this world and I want to make this full 3d new world too. Originally, I'm fascinated in making new world by arts. But after playing this game, I think that computer tool is beautiful not only by classical arts
